J. T. OWENS.

The Lee Bros. loaded about 250 head of cattle on the cars at the Safford stock yards vesterday, to be shipped to Trinadad, Cal. The sale was made to Mr. Gillispie a brother of William A. Gillispie. The cattle were thoroughly inspected before being loaded by Inspector John Blake.

Among the Breakers is the title of the play to be presented by the Safford dramatic company next Tuesday night. It is a good play and should be well attended as this is the first effort in this direction ever made by home talent in Safford. The play has been well re-hearsed and will no doubt be presented in a credible manner.

"THE board of supervisors have been in session since Monday and have transacted considerable business. Minutes of proceedings appear elsewhere in this issue. The new county classification act was discussed in all its phases, and the officers found that the board symies were allowed at the old figures. with the understanding that the difference be refunded if the Su--Flagstaff Democrat.

Miner. team had whileled around and was running towards Cochuta, with the support the law which he has our extensive resources. sworn to maintain and given bonds Geo. Campbell of Safford has gone to do so. There can be no apology offered for an official who attempts to set himself up as a Supreme Court and pass upon the validity of legislative acts. A law is always a law until the Supreme Court declares it not to be such. The Board of Supervisors of Coconino should retire and no longer attempt to set as the Supreme

A MYSTERIOUS CAVERN.

Discovered on White River and Partly Explored ... Other Notes.

Our correspondent at Eden sends the following:

A mysterious cave on White River, eight miles from Camp Apache Arizons, was found by John Mc Murren and others. They visited the cave on July 4th and explored

For six hundred feet of the distance explored they were obliged to crawl, using candles and bull's eve lanterns for lights. They found between 300 and 400 human 4-20-tf skeletons, indicating the remains of persons who had perhaps been smothered to death by smoke long 2:00 p. m. years ago, as some of them were in 3:30 p. m. mit a human body.

The skeletons are of various sizes, some being very small. The 4:30 p. m. skulls are of a brown color with 4:45 p. m. the exception of a few that are 5.30 p. m. white. The bones indicate a large 8:30 p. m. people but there is nothing to reveal to the visitor the tribe to

which they had belonged.
The White Mountain Apaches are vary superstitious about the 24th. See the program in another cave and say that within it there is a large lake of water. The visitors found no water but intend to 9:00 a. explore it further. There are but

David Birdno has been busy here the last week with his header haresting grain for the people.
